DON'T SUFFER--LAUGH AT STOMACH MISERY

Wettick's Original Cut Rate Medicine Store Will Return the Money If Mi-o-na Does Not Relieve Dyspepsia.

Among all the remedies in Wettick's Original Cut Rate Medicine Store there are few that he is willing to sell on a guarantee to refund the money if they do not cure.

Mi-o-na, the famous dyspepsia remedy, has helped so many of his customers that Mr. Wettick says, "If this remedy does not relieve you, come back to my store and I will cheerfully return your money."

Anyone who has dyspepsia, indigestion, headaches, dizzy feelings or liver troubles, should take advantage of this chance to be made well without any risk of spending their money to no purpose. Mi-o-na will relieve you, will regulate the digestion, will enable you to eat what you want. If it does not do all this it will not cost you a cent.

Wettick's Original Cut Rate Medicine Store has sold hundreds of boxes of Mi-o-na in the last few weeks and has yet to receive the first complaint from any customer. Such a record is simply marvelous and speaks volumes for the merit of the remedy.

It is easy enough to fill a column with the symptoms afflicting those who have dyspepsia, but there is no need of describing their condition. What they want is relief and they can get it in Mi-o-na. Do not suffer a day longer with disordered digestion. If Mi-o-na relieves you it costs you 50 cents a box. If it does not, you have just a doctor's personal guarantee to return your money.—Adv.

Opportunity

At one time "Young Man, Go West" was a common slogan. Then conditions were slightly reversed and the "South" seemed to mean opportunity. In recent years, and even now, we hear of opportunity in the purchase of Northern farm lands.

In the meantime men have gone "East" and found opportunity and success. As a matter of fact, every state, county, township, village and city ward affords opportunity.

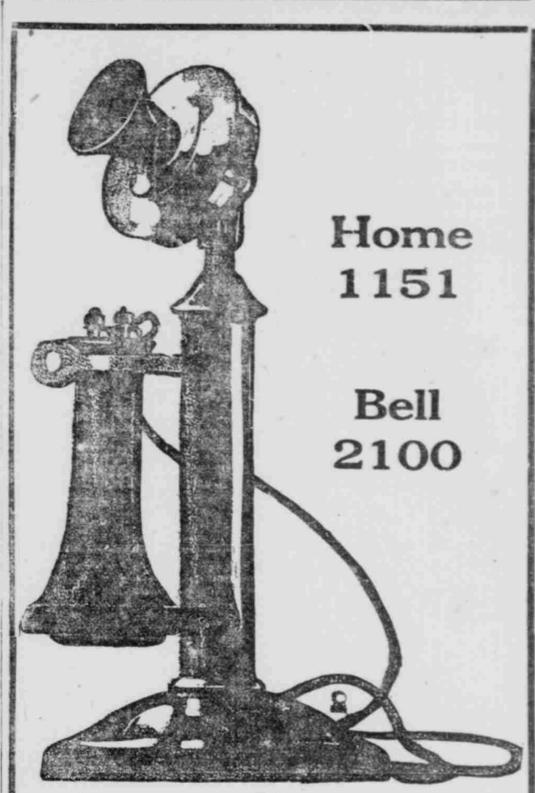

Among the many opportunities about you is the opportunity to receive 4% interest on your savings at the St. Joseph County Savings Bank without risk or worry.

Don't Be Scared Into Risking An Operation

WE HAVE SAVED SCORES FROM THE SURGEON'S KNIFE AFTER THEY HAD BEEN GIVEN UP BY OTHER DOCTORS, AND WE CAN DO THE SAME FOR YOU IF YOU WILL GIVE US THE CHANCE.

United States Senator Weeks, in a recent speech before the senate, clearly sets forth the fact that thousands of surgical operations are uselessly being performed simply for the sake of collecting a fancy fee. In a recent address given by Dr. Jno. M. T. Finney, a noted authority of Philadelphia, he asserts that a large percent of surgical operations are signal failures and are absolutely uncalled for. Dr. Overall of Chicago, another noted authority, claims that injury once done the prostate by the knife is irreparable. Keyes, perhaps the most noted authority in this country, says: "There is but one condition calling for an operation, and that is the failure of all other treatments." Still many doctors claim that the only way to cure the diseases of our specialty is by the use of the knife. We have saved scores from the surgeon's knife and at a cost even less than the ordinary hospital fee. We can do as much for you.

OUR SPECIAL OFFER

We are making a special offer to afflicted men. One that will surprise you when you investigate. This offer will enable every man to regain his health, no matter what his circumstances may be. Moreover our fees are within reach of every man. IF YOU ARE OUT OF WORK AND NEED TREATMENT, DON'T FAIL TO CALL.

FOR YOU CAN TAKE OUR TREATMENT AND PAY US WHEN YOU GO BACK TO WORK.

VITAL DISEASES

The Most Prevalent and Serious Disease Among Men Past Forty

According to Dr. Hurty, secretary state board of health, the Prostate gland is perhaps the most important gland in the body, being of extreme importance to the physical and mental and reproductive stability of man. Diseased conditions of this gland are accompanied by the most pronounced disturbances of other functions such as weakness, loss of ambition, strength, vim, vigor, vitality, headache, backache, dizziness, loss of appetite, mental hallucinations, a feeling of impending danger, weak trembles, cold feet, frequent urination, especially at night; specks before the eyes, Male weakness, or total loss of power, constipation, pain in rectum or at neck of bladder, hot and cold flashes, nervous restlessness, inability to concentrate mind, thoughts wander, easily fatigued on little exertion, loss of confidence, cloudy, foul smelling urine, etc.

Why Not Get the Best First? It Will Cost Less Than the Worst.

The diseases of our specialty are diseases of which the general practitioner is rankly ignorant, he knowing but little more about them than you. He is wholly unprepared in experience, knowledge, and equipment and totally unable to successfully treat them and when he undertakes their cure he will more than likely cause or allow serious complications to arise, which sooner or later necessitate the services of a skilled specialist.

No Knife—RUPTURE AND PILES CURED—No Knife \$10—EXAMINATION FREE—\$10
